

i as in me!

Unity: starts with **U** and **i** and ends with **y**...you!

Each one needs to make a commitment
*'to agree on Unity to achieve peace and build
a solid foundation through Love and agreement'*

Vision: 'To come together, to heal from hurt, to make whole by agreement'

To Build a Nation and a World as One

... the red dot above **i** represents the blood of Jesus. Whenever we say **i**, we must remember that our triune God is the highest I and the almighty power who is-and remains- in control, if only we submit to His love, His Power and His Divine Will.

1 John 4:16 And so we know and rely on the love God has for us. **God is love.** Whoever lives in love lives in God, and God in them!

Statement supporting our vision of Unity: We will say **yes** to Love, Peace and Unity. We will say **no** to violence, ego, and selfishness. We will stand with One Accord through respect of God's Word, to care for the weak and the helpless and show love to all of **GOD'S** creation – Namely - humans, animals, plants, nature and our environment. What an amazing challenge and yet all things are possible through Jesus our Saviour! Scripture: Acts 1:14 and Isaiah 61

Scripture for Unity 'Psalm 133' for there the LORD bestows his blessing

The **Rainbow** is our sign and covenant for **Unity!** '7 Colours'
