Genesis 32:30

Dear Hannes van der Westhuysen,

It is with great joy and excitement that we introduce ourselves and the community we support, to you.

With the guidance of our **Lord Jesus**, we provide food to children in need, and to elderly people in "Sonstraal Ouetehuis". We are currently using our home to make food and serve it to the children in twice weekly. With the grace of God, we are able to serve well over 500 children, adults and elderly a week. For us to be able to do that, we need at least **R1250** per week, but without the support from our community, individuals and businesses, we cannot achieve this.

We humbly ask for your support, either in financial terms or with food as the Lord lays it on your heart. We are a registered non-profit organisation which allows for a tax benefit.

Our **dream** is to expand **Kombuis Pniel** across Atlantis, feeding people with food and the Word of GOD on a daily basis.

Please let us know if you wish to know more about us or the work GOD is doing in Atlantis. We will gladly keep you informed or even arrange a visit to **Kombuis Pniel**.

We thank you for your support.

Yours sincerely,

Mrs. Maria Stevens
