My firm acts as the Registered Accountant and Auditor to AJ Onsite Concrete Pty Ltd.

In addition to the audit of the company's accounting records, we assist with the preparation of the company's annual financial statements and submission of its income tax returns.

I hereby confirm that the financial statements of AJ Onsite Concrete Pty Ltd for the year ended 29 February 2012 reflected an annual turnover of less than R5 million. It is expected, and an initial review of the company's records confirm this, that the annual turnover for the year ended 28 February 2013 will also be less than R5 million.

Although this level of turnover is in keeping with past financial years and current trading activities, it may be more or less in the future. Consequently this certificate does not serve as a guarantee that the turnover so reflected will continue at the same levels.
