SUPPORTERS LETTER FOR MELISSA TITUS

Dear Friend,

I am taking the liberty of inviting you to support me in my **new role** as personal assistant to David Kadalie who has been involved in missions for more than three decades.

Let me start by introducing myself and my ministry to you.

INTRO

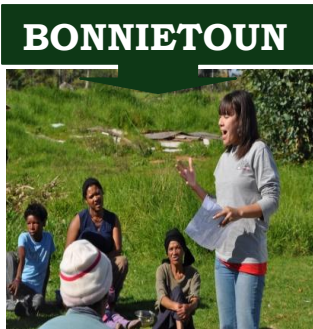

My name is Melissa Titus, I am 27 years old, married with 2 kids. My husband and I serve the Lord faithfully. Over the past few years we have been involved in youth ministry, arts ministry, kids entertainment and spiritual dance. I worked for a law firm for almost 5 years when **God called me out** and confirmed that I was to work as a missionary. I contacted David Kadalie who spearheads missionary work for Youth for Christ and it so happened that he was looking for a personal assistant. God opened the door and I started working for David in March 2012.

MY NEW BOSS

David has been the Regional Director for the Youth for Christ Indian Islands ministry and has just recently handed his role over to the National Director of Madagascar. He has since taken up a new role as Director for Youth for Christ Training and Leadership Africa. He and his wife have been faithfully involved in the Youth For Christ ministry for 32 years. Their ministry has grown immensely and many young souls have been saved and spiritually equipped as a result of their hard work. My role is to assist David manage his work with 33 nations on the African continent.

My role includes: Admin; Book Keeping; Project Management; Events Management; Social Network Management & marketing.

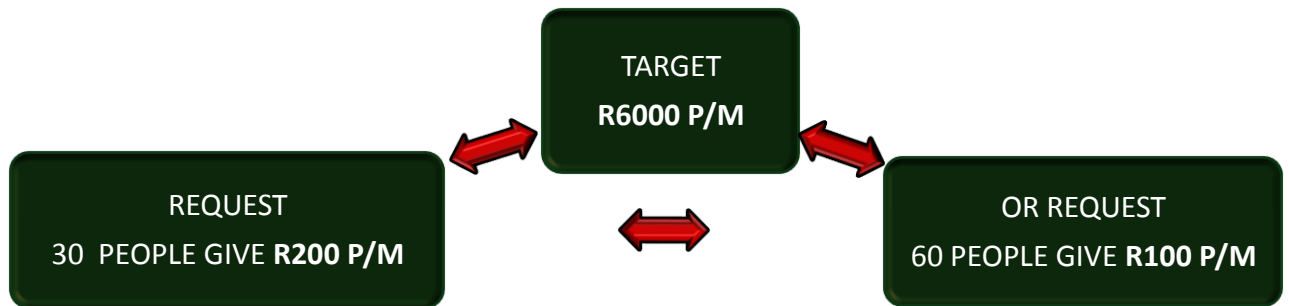

We are currently involved with an informal settlement called Bonnietown which I have grown to love as I have seen God's hand move mightily to meet the needs of those truly struggling to survive. It has been exciting for me to be amongst those who witness to them and see the Spirit move in their midst.

Much work remains to be done as we endeavour to bring **prayer & biblical truth** into this community hoping it will form a basis of living for each individual we minister to.

This letter is to explain that as missionaries we endeavour by God's grace and leading, to raise our personal support and also to give friends and family an opportunity to be involved in missions. I have been called as a missionary, and I am offering you an opportunity to be a part of not just my ministry, but a part of my testimony.

By raising sufficient support for my salary I will be able to continue in my calling to assist David with this emerging vision in training leaders all over Africa to build a more effective Kingdom for our King!

The target is set as above. This however is not restricted to lesser amounts and we welcome any contribution that God may lay upon your heart.

This is a **great opportunity** for you to sow into the lives of future leaders who will be developed through YFCA Training and Leadership programmes.

This will be your seed and I am only a channel God is using allowing you to partake in furthering this ministry as we expect a harvest over the nation of Africa.

I ask that you search your heart and allow the Holy Spirit to minister to you to be a part of the blessing this ministry has to offer. I will revert back to you within a week regarding your prayerful response in being a blessing to this ministry and being my supporter.

I will be keeping all my supporters updated on any progress made and on the many lives impacted and changed by our efforts. I believe this will be a great year where we will see God send more workers for the harvest and I am so excited to be a part of this ministry and to be a part of such an excellent team!

Thank you for taking the time to read and consider my offer. I pray that you will be excited as I am for what God is doing and what he is still going to do! Bless you! Melissa
