

i as in me!

Unity: starts with **U**, with **i** in the centre, and ends with **y** for You!

Each one needs to make a commitment to agree on Unity to achieve peace and build a solid foundation through Love and Agreement.

... the red dot above **i** represents the blood of Jesus. Whenever we say **i**, we must remember that our triune God is the highest I and the almighty power who is - and remains - in control, if only we submit to His love, His Power and His Divine Will.

1 John 4:16: “And so we know and rely on the love God has for us. God is love. Whoever lives in love lives in God, and God in them!”

Statement supporting our vision of Unity: We will say **yes** to Love, Peace and Unity. We will say **no** to violence, ego, and selfishness. We will stand with One Accord through respect of God’s Word, to care for the weak and the helpless and show love to all of **GOD’S** creation – namely, humans, animals, plants, nature and our environment. What an amazing challenge and yet all things are possible through Jesus our **Saviour!**

Scripture: Acts 1:14 and Isaiah 61 .

Scripture for Unity: Psalm 133 - for there the LORD bestows **His** blessing!

Vision: “To come together, to heal from hurt, to make whole by agreement.”

To Build a Nation and a World as One.

Nemo SA – Prayer for Unity

Triune God: Your kingdom come, Your will be done, not my kingdom, but Yours. We come before You and repent for all past, present and future prejudices and ask for Your forgiveness and restoration and give us the grace to make restitution as commanded in Your word.

Father God we are here because of Your amazing grace, we humble ourselves before You and we thank You for Your love and mercy.

We submit to the leading of Your Holy Spirit and pray that our soul be revived and surrendered to Your control so that we daily experience the empowering liberation of walking in victory.

It is our prayer that You unite all Your children in the spirit of oneness so that through our unity and respect for one another, You will receive the honour, praise and glory deserving to Your name.

Father, we pray and ask that You transform Your children, the church, into an army marching in obedience to Your command for the fulfillment of the great commission (Matthew 28:16-20).

Father God we trust and pray this prayer to You in faith. We give You all the honour, praise and glory in Jesus's mighty name ... Amen.
